ABOUT OUR MINISTRY: Paul and Lori Vernon are serving in Thailand as missionaries to the Akha people of Southeast Asia. Our goal is to minister holistically to the spiritual, emotional & physical needs of the Akha people. Some of the work we do includes medical & dental care, evangelistic media production, teaching at an Akha Bible college and building individual discipleship relationships with emerging leaders.

ABOUT THE AKHA: There are about two million Akha scattered throughout the mountainous regions of Southern China, Myanmar, Laos, Vietnam & Thailand. They are united by a common language and culture, and are often marginalized by their host cultures. The traditional religion of the Akha people is animism.

PRAYER REQUESTS:

- ✓ Please pray for doors to open for the gospel to be preached among the Akha in the areas where it has never been heard before.
- ✓ Please pray for unity, maturity, growth and discipleship in the areas where the Church has already been established among the Akha.

- ✓ Please pray for our family, that we would continually be pursuing a deeper relationship with our Father, for strength in our marriage, and for wisdom in raising our children.
- ✓ Please pray for our ministry as we prepare to begin recording productions of multiple Akha language gospel films and teaching materials through our newest ministry venture: Akha Outreach Media, a partnership of Project VIDEO, in association with Wycliffe Bible translators.

AKHA OUTREACH FOUNDATION:

Akha Outreach Foundation was founded in 2001 with the goal of raising up Akha Christian leaders through their 3 branches of ministry:

- Orphanage for at-risk children
- Four year Bible College
- Church Planting & Community Development
