  The Akha village of Hooh Yoh has been
told by government personnel that it can
no longer farm land that it has farmed for
nearly 40 years. The villagers have been
given no say in this process. They are be-
ing forced into starvation by the Forestry
Department.

  They can stop this process but they need
your help. They need observers to come
and stay at Hooh Yoh Akha village.

Surely you are aware of how much the
hill tribe are advertised and promoted for
tourism in Thailand? Seldom getting any
money for how their images are exploited,
these villagers deserve better than this.
